

# Finger Puzzle from Kids Bible Teacher.com

How to play the Finger Puzzles:

1. Have your child insert their thumb and index finger from each hand into the flaps in the back.
2. Open and close the finger puzzle in different directions as you spell one of the words from the outer layer. When you finish, some pictures will be visible and some will be hidden.
3. Pick a picture from the visible pictures. Open and close the finger puzzle the number of times indicated on the picture you chose. Once again, when you are finished, some pictures will be visible and some will be hidden.
4. Choose one more picture from the visible pictures. Open that flap by unfolding it and choose a number from one to four.
5. Read the verse or question from the chosen number.

Please note: This puzzle is random. On the inside, after choosing a number from one to four, you will ask a question OR read a Bible verse.

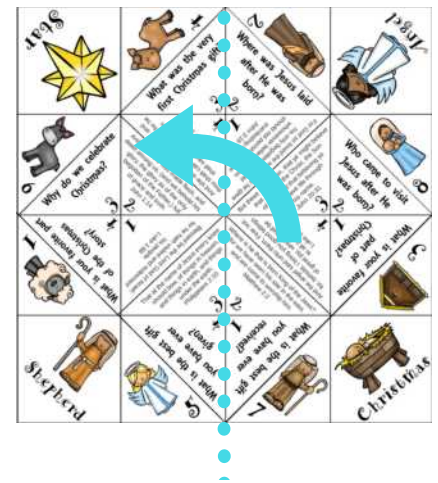

1. Cut out the square along the outer lines. Do not cut any interior lines.

2. With picture side up, fold square in half. Unfold.

3. Fold in half the other direction. Unfold.

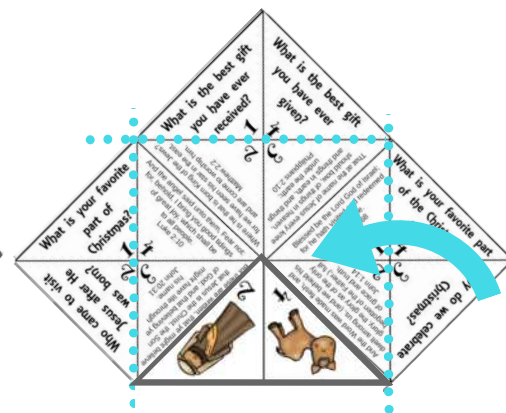

4. Flip paper over, picture side down. Fold the corners up and toward the center.

5. Flip the page over again so that the word side is up.

6. Fold the corners up to the center of the square.

7. You will now have a square with pictures up. Fold square in half.

8. Fold rectangle in half.

9. You should have a tiny square. Unfold until you have 8 pictures looking up at you again.

10. Place your fingers under each of the flaps in the back and "scrunch" the four corners up in the center until they meet.

11. After the corners are lifted to the center, you should see this image, but 3-D. You are done!
